

Solutions for Major Corporate Clients

Large, multinational and global organizations face complex, interconnected risks such as:

- Geopolitical uncertainty
- Cyber threats
- Natural catastrophes
- Business interruption
- Environmental damage

A **simple solution** to a complex problem is required. These organizations need an insurance program that offers a comprehensive risk management solution, seamlessly spanning borders and lines of business.

The solution is Chubb's **Major Accounts Division.**

We provide globally coordinated, locally compliant insurance solutions for large, corporate and multinational organizations.

Chubb's Major Accounts Division

Your Dedicated team

- Global Client Executive** - deep industry knowledge, serving as a single point of contact for our key clients.
- Claims Client Relationship Managers** - coordinate and manage claims services consistently and efficiently.
- Underwriters** - take a 'whole account underwriting' approach with a holistic view when assessing your risks.
- Risk Engineers** - experienced professionals who are able to provide pre and post-loss risk mitigation advice.

Solutions wherever you may be

Our **Global Services** team ensures timely and consistent administration of your program.

Powerful, comprehensive and transparent, **Worldview®**, our unique and award-winning web-based platform, puts the status of your entire insurance program at your team's fingertips - in real time.

Features include:

1. View program and claims updates
2. Get copies of local policies and certificates
3. Access proprietary research tools
4. Configure alerts and reports; and more...
