

# Civil Engineering Completed Risks (CECR)

CHUBB®

## Who do we protect?

Our Civil Engineering Completed Risks (CECR) insurance is designed to provide cover for any types of businesses operating in all areas of infrastructure including motorways, railways, roads, bridges, dams, tunnels, ports and harbours etc.

## What do we cover?

We cover losses from sudden and accidental physical damage to property insured and can consider adding consequent business interruption as required.

### **Our standard cover includes:**

- Fire and allied perils
- Flood
- Earthquake
- Storm and other catastrophic events

### **Additional covers:**

We can also provide full cover from the construction phase through to, and including, the fully operational risk from day one. This helps to avoid gaps in cover, additional covers include:

- All Risks including accidental damage
- Riots, Strikes, Civil Commotion and Malicious Damage

- Machinery Breakdown and Electronic Equipment
- Removal of Debris
- Contingent Business Interruption
- Prevention of Access

### **What do we exclude:**

- Loss or damage caused by or aggravated by latent or inherent defects
- Wear and tear, corrosion, erosion, normal settlements
- War / Civil War, Terrorism
- Wilful acts or negligence
- Communicable disease
- Nuclear risks
- Cyber

## Capacity and limits

- Up to 650m USD capacity
- Additional capacity available on request

We have a  
dedicated  
team  
specialised  
in CECR
