Chubb Excess Casualty

CHUBB®

Worldview® is a powerful web-based portal specifically designed for risk managers and brokers - providing instant access to their insurance programs through Chubb systems and resources. It is unique in the industry and exclusive to Chubb.

Worldview helps Chubb Excess Casualty clients and brokers more effectively manage and track all aspects of their U.S. Excess Casualty large account programs. The interactive portal features an easy-to-navigate home page that provides access to comprehensive account information, real-time status updates, and customized reporting tools. Worldview's innovative technology enhances the overall customer experience and offers users greater control over their programs.
